OUR 1952 VARIETY PRICE LIST

Order from this list and enclose money order or check. All prices are F. O. B., our shipping point. But if you will include 20% we will pack well and pay parcel post charges, or we will ship by express or mail as you wish, charges collect.

Bunch and Muscadine Grapes are both native and adapted here, and we list them in separate groups.

OUR BEST HOME VINEYARD OFFER—2 each best early and late of each color of Bunch and Muscadine Grapes and 1 male plant or Self-fertile, to plant 8 and 15 ft. apart on same trellis in 100 yards. 25 vines 20% off. 1 each 13 vines 10% off. All your selections or ours.

BUNCH GRAPES—We feature Munson's Texas Hybrids that were all originated by crossing immensely vigorous wild Texas grapes on our Old Favorite Eastern and European Varieties, which greatly increase their vigor, size and resistance everywhere, especially in the South, and bred in the fine qualities of their female parents, given below in parenthesis, as copied from Munson's last catalog. We also list the N. Y. Fruit Testing Assn. New Varieties, Our Old Favorites and some new French Hybrids. All are listed together, as to color, and about as they ripen, from July 4 to Oct. 15th here.

White Grapes—Ontario, Seneca, 70c; Portland, Seibel 9110, 75c; Bell (Delaware) 1 yr., 65c; Niagara, Armalaga (Malaga), 75c; Edna (Malaga), 70c; Golden Muscat, 70c; S. V. 12358, 70c; Minnie (Malaga) 1 yr., 65c.

Red Grapes—Headlight (Delaware) 1 yr., 65c; Lutie, Captivator (Delaware) 1 yr., 65c; Brilliant (Delaware) 65c; Delaware, Caco, Ellen Scott (Herbertmont), Mericadel (Delaware), 65c; Urbana, 65c; Last Rose (Jefferson), 70c; Catawba.

Black Grapes—Seibel 13053, 1 yr., 65c; Manito (Delaware), 65c; Van Buren, 65c; SV 12364, 1 yr., 65c; Predonia, Lukfata (Moore's Early) 65c; R. W. Munson (Triumph), Hicks Concord, 65c; Concord, Concord Seedless, 85c; Seibel 1000, Ives, Champagne (Worden) 65c; S. V. 10096, 75c; Marguerite (Herbertmont), 70c; Longfellow (Creisa), 75c; Fern Munson (Catawba), 65c; Sheridan, 65c; Dog Ridge (Vitus Champini) Best rootstock.

Bunch Grapes (all except as noted) prices: 2 yr., No. 1, 60c each; 1 yr. No. 1, 10c off and 3 yr. No. 1 that bore, 10c more. All are table grapes, and many table and juice and wine, except Marguerite, Seibel 1000, Ives, Cynthia, SV 10096 are best for wine and juice. All are self-fertile except Headlight, R. W. Munson, Edna and Last Rose, require cross Pollination for best crop.

MUSCADINE GRAPES are the Cotton Belt's finest, most frost and pest resistant fruit crop. All these Standard Varieties introduced by our Ga. and N. C. Ex. Stations are self sterile and require cross pollination by a now bearing male plant, or the New Self Fertile Varieties listed below. Plant these 15 ft. apart with 1 pollinator every third vine in every third row, or within 50 feet for best production. All listed as they ripen here Sept. 1 to Nov. 1.

White Grapes—New River, Dawn, Scuppernong, Stanford, Stuckey, Topsail plus 25c, Yuga.

Purple Grapes—Thomas, Dulcet, Creek.

Black Grapes—Hunt, Cresswell, Spaulding.

Male Plants: Now bearing, but sure pollinators.

Prices: 2 yr. No. 1 vine, 70c each; 1 yr. No. 1, 10c off, and heavy 3 yr. that have bore, 10c more. 2 of 5 or 5 of 1 variety 10% off.

New Self Fertile Muscadine Varieties—All bear fine fruit alone, and also pollinate, all sterile varieties, as well as male plants. **Prices:** 2 yr. No. 1, (all as they ripen), Tarheel, black, \$1.25; Willard, white, \$1.50; Burgaw, purple, \$1.75; Wallace, white, \$2; 1 yr. No. 1, 25c off.

VINE BERRIES—(Listed as they ripen) **Cameron Dewberry** introduced by U. of N. C. 1938, cross of Lucretia and Thornless Young, earliest, few briars, sweetest, blackberry flavor, large, firm, fine and most resistant, for all purposes. NC 103 New Dewberry, first named Carolina, NC 104, NC 111, largest, finest. Also Best Strains of Thornless and Briary, Youngberry and Borgenberry, Dixie Red Raspberry introduced by U. of N. C. 1938, finest, most resistant all purpose southern raspberry, and New Brainard Blackberry that is an improved Himalaya, largest, finest, latest all purpose blackberry.

Berry Prices: New Carolina (NC 103, 104 & 111), Dewberry and Dixie Red Raspberry 1 yr. No. 1 tip plants and No. 2 transplants, 5 for \$1.65; 10 \$3. **Cameron Dewberry, Thornless Young and Borgen Berries and Brainard Blackberry**, 5 \$1.25, 10 for \$2; **Early Harvest and Eldorado Blackberries, Thorny Young and Borgen Berries**, 5 for \$1.

2 Yr. Berry Transplants, all the above 1-4 inch up col. twice the above 1 yr. prices.

Blight Resistant Chinese Chestnut Trees from seed of the only frost resistant trees that have borne in our USDA orchard since 1947.

Best Southern Pears, Koonce, New Orient, Improved Seckel, Waite, Lincoln, Improved Barber, Gorham and Keiffer, all on best blight resistant stock. **Prices of Pear and Chestnut Trees:** 2 to 3 ft., \$1.50, plus 50c per ft. to 7 ft. F. O. B.

All our stock is inspected and all varieties are guaranteed true to label, but our responsibility shall be limited to replacement of any stock found untrue or purchase price refunded. We assure our best prompt attention to all orders.

Sincerely,

HOMER A. NEAL.

--THE BEST NEW AND TESTED VARIETIES--

CARNESVILLE, GA., RT. 1 1-17-52.

Dear Mr. Shaw:

As you request, I am
glad to enclose my latest spring
list, most all adapted South, and
North, except the Muscadine grapes,
and I still have 10 to 100, 1, 2 and 3 yr.
of all varieties all propagated from
bearing stock from U.S.D.R. and
Experiment stations, and Originators.

I will appreciate you referring inquiries
to me and try to serve all so to hold
their patronage and good will.

Sincerely,
H. A. Neal.
